2026	135,000	2033	2,700,000

Serial Bonds and/or Term Bonds: The Bonds shall be issued as serial maturities as shown in the table above, unless the bidder requests the creation of one or more term Bonds by combining any two or more consecutive serial maturities of the Bonds. For any term Bond, the amount of principal paid in each year as the mandatory sinking fund payment shall be the amount shown above as maturing in such year.

Interest Rates: Interest on the Bonds is payable on February 1 and August 1 of each year, commencing February 1, 2020. Interest is calculated on the basis of a 30-day month, 360-day year from the date of the Bonds. Bidders must specify the rate or rates of interest which the Bonds hereby offered for sale shall bear. Bidders will be permitted to bid a rate or rates of interest according to the following:

- (i) Each interest rate must be greater than zero and no interest rate may exceed 8.0% per annum.

- (iii) Each interest rate must be a multiple of 1/8 or 1/20 of 1% per annum.

Adjustment of Principal Amounts: The principal amounts of each maturity of Bonds set forth above in the table entitled “Maturities,” reflect certain estimates of the District and its Municipal Advisor with respect to the likely interest rates of the winning bids and the premium contained in the winning bid. Following the determination of the successful bidders, the District, in order to structure for tax rate considerations, reserves the right to increase or decrease the principal amount of each maturity of the Bonds, in \$5,000 increments, and/or eliminate a maturity of the Bonds and decrease the aggregate principal amount of the Bonds to be issued. The successful bidders will be notified of the actual principal amounts and maturity schedule relating to the Bonds within 26 hours of the bid opening. The aggregate price bid by the successful bidders will be adjusted by the District proportionate to any increase or decrease in the aggregate principal

amount of the Bonds and without consideration for the reoffering price by the successful bidders to the public of any individual maturity of the Bonds. No such adjustments will alter the basis upon which the best bid is determined. THE SUCCESSFUL BIDDERS MAY NOT WITHDRAW THEIR BIDS OR CHANGE THE INTEREST RATES BID OR ANY INITIAL REOFFERING PRICES AS A RESULT OF ANY CHANGES MADE TO THE STATED PRINCIPAL AMOUNTS.

### TERMS OF SALE

Best Bid: The Bonds will be awarded to the responsible bidder submitting the best responsive bid, considering the interest rate or rates specified and the premium offered, if any. The best bid will be the bid which represents the lowest true interest cost (“TIC”) to the District. The TIC is the discount rate which, when compounded semiannually and used to discount all debt service payments on the Bonds back to the date of such Bonds, results in an amount equal to the price bid for the Bonds. In the event that two or more bidders offer bids for the Bonds at the same lowest TIC, the District will determine by lottery which bidder will be awarded the Bonds. For the purpose of calculating the TIC, the mandatory sinking fund payments, if any (see “TERMS OF THE BONDS—Serial Bonds and/or Term Bonds” above), shall be treated as serial maturities in such years. The determination of the bid representing the lowest TIC will be made without regard to any adjustments made or contemplated to be made after the award by the Chief Business Officer of the District (the “Chief Business Officer”), as described herein under “TERMS OF THE BONDS—Adjustment of Principal Amounts,” even if such adjustments have the effect of raising the TIC of the successful bid to a level higher than the bid containing the next lowest TIC prior to adjustment.

Form of Bid: Each bid must be for not less than all of the Bonds hereby offered for sale. Bids for the Bonds must be for not less than the par value thereof plus such premium as is specified in the bid. No bid will be accepted which contemplates the waiver of any interest or other concession by the bidder as a substitute for payment in full of the purchase price. **Each bid must be in accordance with, and shall be deemed to incorporate, all of the terms and conditions set forth in this Official Notice of Sale. Bids may (but, except as provided below, need not) be submitted on the bid form provided.**

Bids for the Bonds may be delivered by hand or by electronic transmission via the BiDCOMP/Parity bid delivery system.

*Hand Delivery:* Bids delivered by hand must be on the official bid form attached hereto, signed by the bidder, and enclosed in a sealed envelope addressed to the Chief Business Officer, Evergreen Elementary School District, c/o Dale Scott & Company, the Municipal Advisor to the District at the address given on Page 1 of this Official Notice of Sale, and clearly marked “Proposal for Evergreen Elementary School District (Santa Clara County, California) General Obligation Refunding Bonds, Series 2020” (or words of similar import). If the sale of the Bonds is canceled or postponed, all sealed bids shall be returned unopened.

*Electronic Transmission:* Solely as an accommodation to bidders, the District will accept bids for the Bonds in electronic form exclusively through the BiDCOMP/Parity bid delivery system. Each bidder submitting an electronic bid understands and agrees by doing so that it is

solely responsible for all arrangements with Parity, that the District neither endorses nor encourages the use of Parity, and that Parity is not acting as an agent of the District. Instructions and forms for submitting electronic bids must be obtained from Parity. Bidders may contact Parity directly at (212) 404-8102 or at the Parity website: <http://munis.ipreo.com>.

**WARNINGS:** The District assumes no responsibility for ensuring or verifying bidder compliance with Parity's procedures. The District shall be entitled to assume that any bid received via Parity has been made by a duly authorized agent of the bidder. The District, the Municipal Advisor and Bond Counsel assume no responsibility for any malfunction of the BiDCOMP/Parity bid delivery system, any failure of a bid to be received at the official time, or any error contained in any bid submitted electronically. The official time for receipt of bids will be determined by the District at the place of bid opening, and the District shall not be required to accept the time kept by Parity as the official time. In the event of a malfunction of the Parity system, bidders should submit their bids by hand delivery on the official bid form attached hereto.

**THE DISTRICT RETAINS ABSOLUTE DISCRETION TO DETERMINE WHETHER ANY BID, WHETHER DELIVERED BY HAND OR ELECTRONIC TRANSMISSION, IS TIMELY, LEGIBLE AND COMPLETE.**

*Multiple Bids:* In the event multiple bids are received from a single bidder by any means or combination thereof, the District shall accept the bid representing the lowest true interest cost to the District, and each bidder agrees by submitting any bid to be bound by such best bid.

Statement of True Interest Cost (TIC): Each bidder is requested, but not required, to state in its bid the total percentage TIC, which shall be considered as informative only and not binding on either the bidder or the District.

No Good Faith Deposit: The winning bidder is not required to deliver a good faith deposit for the Bonds.

Right of Rejection: The District reserves the right to reject any and all bids and to waive any irregularity or informality in any bid.

Prompt Award: The Chief Business Officer will take action awarding the Bonds or rejecting bids not later than twenty-six (26) hours after the expiration of the time herein prescribed for the receipt of the bids, unless such time of award is waived by the successful bidder or bidders. Notice of the award will be given promptly to the successful bidder or bidders.

## **CLOSING PROCEDURES AND DOCUMENTS**

Delivery and Payment: Delivery of the Bonds through the facilities of DTC will be made to each successful bidder in New York, New York, as soon as the Bonds can be prepared, which it is estimated will be on or about January 13, 2020. Payment for the Bonds must be made in funds immediately available in Santa Clara County, California, on the date of delivery. Any expense of providing immediately available funds, whether by transfer of Federal Reserve Bank funds or otherwise, shall be borne by the successful bidder or bidders. The cost of printing the Bonds will be borne by the District.

Right of Cancellation: The successful bidder shall have the right, at its option, to cancel its obligation to purchase the Bonds if the Bonds are not executed and tendered for delivery within 60 days from the date of sale thereof.

CUSIP Numbers and Other Fees: It is expected that the Municipal Advisor will apply for CUSIP identification numbers for the Bonds, and furnish such numbers to the successful bidder and Bond Counsel. It is anticipated that such CUSIP numbers will be printed on the Bonds being delivered to DTC, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by any successful bidder to accept delivery of and pay for the Bonds in accordance with the terms and conditions of its bid. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the District, but the CUSIP Service Bureau charge for the assignment of such numbers shall be paid by the successful bidder or bidders. The successful bidder or bidders shall also be required to pay all fees required by The Depository Trust Company, New York, New York, the Public Securities Association, the Municipal Securities Rulemaking Board and any other similar entity imposing a fee in connection with the issuance of the Bonds.

California Debt and Investment Advisory Commission Fee: Attention of bidders is directed to California Government Code Section 8856, which provides that the lead underwriter or the purchaser of the Bonds shall be charged any California Debt and Investment Advisory Commission fee payable with respect to the Bonds.

Establishment of Issue Price:

(a) The winning bidder shall assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public of the Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the District and Bond Counsel. All actions to be taken by the District under this Official Notice of Sale to establish the issue price of the Bonds may be taken on behalf of the District by the District’s Municipal Advisor identified herein and any notice or report to be provided to the District may be provided to the District’s Municipal Advisor.

(b) The District intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the “competitive sale requirements”) because:

- (1) the District shall disseminate this Official Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the District may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and

- (4) the District anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Official Notice of Sale.

Any bid submitted pursuant to this Official Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

**IN THE EVENT THAT THE COMPETITIVE SALE REQUIREMENTS ARE NOT SATISFIED, THE DISTRICT WILL REJECT ALL BIDS AND CANCEL THE SALE.**

**BIDDERS SHOULD PREPARE THEIR BIDS ON THE ASSUMPTION THAT THE ISSUE PRICE OF THE BONDS WILL BE THE REASONABLY EXPECTED INITIAL OFFERING PRICE TO THE PUBLIC.**

Litigation: There is no litigation pending concerning the validity of the Bonds, the corporate existence of the District or the entitlement to their respective offices of the officers of the District who will execute the Bonds and other documents or certificates, or the power of the County of Santa Clara to levy and collect taxes on behalf of the District for payment of, and to pay interest and principal on, the Bonds, and the District will furnish to the successful bidder or bidders a no-litigation certificate or certificates certifying the foregoing as of and at the time of the delivery of the Bonds.

Closing Documents and Legal Opinion: Each bid will be understood to be conditioned upon the District furnishing to the winning bidder, without charge, concurrently with payment for and delivery of the Bonds, the following closing documents, each dated the date of such delivery:

- (a) The opinion of Orrick, Herrington & Sutcliffe, LLP, Bond Counsel to the District, approving the validity of the Bonds and stating that based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code") and is exempt from State of California personal income taxes, and that interest on the Bonds is not a specific preference item for purposes of the federal alternative minimum tax, in substantially the form set forth in Appendix C to the Official Statement;

- (b) The letter of Orrick, Herrington & Sutcliffe LLP, Disclosure Counsel, observing that, as of the closing date, no facts came to the attention of the attorneys of Disclosure Counsel's firm rendering legal services in connection with the issuance of the Bonds that would cause Disclosure Counsel to believe that the Official Statement as of its date and as of the closing (excluding therefrom CUSIP numbers, financial, accounting, statistical, economic, engineering or demographic data or forecasts, numbers, charts, tables, graphs, estimates, projections, assumptions or expressions of opinion, or any information about The Depository Trust Company or its book-entry system, litigation, ratings, rating agencies, the winning bidder, underwriting, relationships among the parties, any management discussions, any statements about compliance with prior continuing disclosure undertakings, and Appendices B, E, F and G to the Official Statement, as to all of which no opinion will be expressed) contained or contains any untrue statement of a material

fact or omitted or omits to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading;

(c) Tax certificate of the District concerning facts, estimates and circumstances in existence on the date of issue and various other matters relating to the exclusion of interest on the Bonds under the Code;

(d) A certificate of the District that as of the date of the Official Statement pertaining to the Bonds and at all times subsequent thereto up to and including the time of delivery of the Bonds to the initial purchasers thereof such Official Statement together with any amendments thereto did not contain any untrue statement of material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(e) A receipt of the District or the County, on behalf of the District, showing that the purchase price of the Bonds, has been received by the District; and

(f) A Continuing Disclosure Certificate of the District, described under the caption “Continuing Disclosure” below.

Official Statement: The Preliminary Official Statement is in a form deemed final by the District within the meaning of the SEC Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended (the “Rule”) although subject to revision, amendment and completion in conformity with such Rule. The District will make available to the winning bidder no later than seven business days after the day of sale of the Bonds electronic copies of the final Official Statement.

The Preliminary Official Statement is expected to be available on the Internet at <http://www.dalescott.com/financings> and at Parity’s website on or after December 3, 2019. Bidders will be required to confirm their consent to delivery of the Preliminary Official Statement in electronic form and their review of a complete copy of the Preliminary Official Statement, as a condition to the acceptance of their bid by the District. The Internet posting of the Preliminary Official Statement does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of, the securities described in the Preliminary Official Statement, in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. To obtain an electronic copy of the Preliminary Official Statement, please contact the District’s Municipal Advisor, as set forth on Page 1 of this Official Notice of Sale.

The District undertakes that for a period of twenty-five (25) days following the end of the “underwriting period” as defined in the Rule it will (i) apprise the winning bidder of all material developments, if any, occurring with respect to the Bonds after delivery of the Bonds and (ii) if requested by the winning bidder, prepare a supplement to the final Official Statement with respect to any such material event. The District will presume that, unless notified in writing by the winning bidder, the end of the underwriting period will occur on the date of the delivery of the Bonds. By making a bid on the Bonds, the winning bidder agrees (i) to disseminate to all members of the underwriting syndicate, if any, the final Official Statement, including any supplements prepared

by the District, and to file a copy of the final Official Statement with the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system (as provided by the Rule) and (ii) to take any and all other actions necessary to comply with the applicable rules of the Securities and Exchange Commission and rules governing the offering, sale and delivery of the Bonds to all purchasers, including the requirement of delivery of the final Official Statement.

Continuing Disclosure Certificate: In order to assist bidders in complying with the Rule, the District will undertake, pursuant to a Continuing Disclosure Certificate, to provide certain annual financial information and notices of the occurrence of certain enumerated events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

## EXHIBIT A

### FORM OF ISSUE PRICE CERTIFICATE

The undersigned, on behalf of \_\_\_\_\_ (the “Underwriter”), hereby certifies as set forth below with respect to the sale of the Evergreen Elementary School District (Santa Clara County, California) General Obligation Refunding Bonds, Series 2020 (the “Bonds”).

1. Reasonably Expected Initial Offering Price.

(a) As of the Sale Date, the reasonably expected initial offering prices of the Bonds to the Public by the Underwriter are the prices listed in Schedule A (the “Expected Offering Prices”). The Expected Offering Prices are the prices for the Maturity of the Bonds used by the Underwriter in formulating its bid to purchase the Bonds. Attached as Schedule B is a true and correct copy of the bid provided by the Underwriter to purchase the Bonds.

(b) The Underwriter was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by the Underwriter constituted a firm offer to purchase the Bonds.

2. Defined Terms.

(a) “Maturity” means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(b) “Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(c) “Sale Date” means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is December 12, 2019.

(d) “Underwriter” means (i) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents the Underwriter’s interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied

upon by the District with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Orrick, Herrington & Sutcliffe LLP, as Bond Counsel, in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Bonds.
