Principal of the Bonds will be paid upon presentation and surrender thereof at the office of the Paying Agent. The principal of and interest on the Bonds are payable in lawful money of the United States of America.

OPTIONAL REDEMPTION: Bonds maturing on or before August 1, 2032, are not subject to redemption prior to their respective stated maturities. Bonds maturing on or after August 1, 2033, are subject to redemption prior to maturity, at the option of the District, in whole or in part among maturities on such basis as shall be designated by the District and by lot within a maturity, from any available source of funds, on August 1, 2032, and on any date thereafter, at a redemption price equal to 100% of the principal amount of Bonds to be redeemed together with accrued interest thereon to the date fixed for redemption, without premium.

SINKING FUND REDEMPTION: Any bidder may, at its option, specify that one or more maturities of the Bonds will consist of term Bonds which are subject to mandatory sinking fund redemption in consecutive years immediately preceding the maturity thereof, as designated in the bid of such bidder. If the bid of the successful bidder specifies that any maturity of Bonds will be term Bonds, such term Bonds will be subject to mandatory sinking fund redemption on August 1 in each year so designated in the bid, in the respective amounts for such years as set forth above under the heading “MATURITIES”, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest to the redemption date, without premium.

SECURITY: The Bonds are general obligations of the District, and the District will direct the appropriate officials of Santa Clara County (the "County") to levy *ad valorem* taxes for the payment of the principal of and interest on Bonds when due, without limitation as to rate or amount. Bidders are referred to the Preliminary Official Statement relating to the Bonds for further details regarding the security of the Bonds.

TAX-EXEMPT STATUS: In the opinion of Jones Hall, A Professional Law Corporation, bond counsel to the District, interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal individual and corporate alternative minimum taxes, although it is included in certain income and earnings in computing the alternative minimum tax imposed on certain corporations. In the further opinion of Bond Counsel, such interest is exempt from California personal income taxes. Bidders are referred to the Preliminary Official Statement for a description of the proposed opinion of Bond Counsel. If prior to the delivery of the Bonds either (a) the interest on other obligations of the same type and character shall be declared to be taxable (either at the time of such declaration or at any future date) under any federal income tax laws, either by the terms of such laws or by ruling of a federal income tax authority or official which is followed by the Internal Revenue Service, or by decision of any federal court, or (b) any federal income tax law is adopted which will have a substantial adverse effect upon owners of the Bonds as such, the successful bidder for the Bonds may, at its option, prior to the tender of the Bonds, be relieved of its obligation under the contract to purchase the Bonds.

LEGAL OPINION: The legal opinion of Jones Hall, A Professional Law Corporation, San Francisco, California, approving the validity of the Bonds, will be furnished to the purchaser of the Bonds without cost. A copy of the legal opinion will be appended to each Bond. Bidders are referred to the Preliminary Official Statement relating to the Bonds for the proposed form of Bond Counsel's legal opinion.

CUSIP NUMBERS: It is anticipated that CUSIP numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bonds nor any error with respect thereto will constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for the Bonds in accordance with the terms hereof. All expenses in relation to the printing of CUSIP numbers on the Bonds will be paid for by the District, except that the CUSIP Service Bureau charge for the assignment of said numbers will be the sole responsibility of and shall be paid for by the purchaser.

CALIFORNIA DEBT AND INVESTMENT ADVISORY COMMISSION FEES: All fees payable to the California Debt and Investment Advisory Commission in connection with the issuance of the Bonds are the sole responsibility of the purchaser of the Bonds.

QUALIFICATION FOR SALE; BLUE SKY: The successful bidder is solely responsible for compliance with blue sky laws. The District will furnish such information and take such action not inconsistent with law as the successful bidder may request and the District shall deem necessary or appropriate to qualify the Bonds for offer and sale under the blue sky or other securities laws and regulations of such states and other jurisdictions of the United States of America as may be designated by the successful bidder; *provided, however*, that the District shall not be required to execute a general or special consent to service of process or qualify to do business in connection with such qualification or determination in any jurisdiction. The successful bidder will not offer to sell or solicit any offer to buy the Bonds in any jurisdiction where it is unlawful for such bidder to make such offer, solicitation

or sale, and the bidder shall comply with the blue sky and other securities laws and regulations of the states and jurisdictions in which the bidder sells the Bonds.

OFFICIAL STATEMENT: The District has approved a Preliminary Official Statement relating to the Bonds. Copies of such Preliminary Official Statement will be distributed to any bidder, upon request, prior to the sale in a form “deemed final” by the District for purposes of Rule 15c2-12 under the Securities Exchange Act of 1934 (the “Rule”). Within seven business days from the sale date, the District will deliver to the purchaser copies of the final Official Statement, executed by an authorized representative of the District and dated the date of delivery thereof to the purchaser, in sufficient number to allow the purchaser to comply with paragraph (b)(4) of the Rule and to satisfy the Municipal Securities Rulemaking Board (the “MSRB”) Rule G-32 or any other rules adopted by the MSRB, which shall include information permitted to be omitted by paragraph (b)(1) of the Rule and such other amendments or supplements as are approved by the District (the “Final Official Statement”). The purchaser agrees that it will not confirm the sale of any Bonds unless the confirmation of sale is accompanied or preceded by the delivery of a copy of the Final Official Statement. The District will furnish to the successful bidder, at no charge, not more than 25 copies of the Official Statement for use in connection with any resale of the Bonds.

CERTIFICATE REGARDING OFFICIAL STATEMENT: A responsible officer of the District will certify to the original purchaser of the Bonds, as a condition of closing, that based on such officer’s participation in the preparation of the Official Statement, nothing has come to their attention to lead such officer to believe that the Official Statement (except for certain financial statements, statistical data and other information) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

CONTINUING DISCLOSURE. In order to assist bidders in complying with S.E.C. Rule 15c2-12(b)(5), the District has committed to undertake, under the Bond Resolution and a Continuing Disclosure Certificate, to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement. Such Continuing Disclosure Certificate will be a document required to be delivered at closing by the District, and the failure by the District to deliver such document in form and substance acceptable to Bond Counsel and the successful bidder will relieve the successful bidder of its obligation to purchase the Bonds.

DISCLOSURE COUNSEL OPINION: The firm of Jones Hall, A Professional Law Corporation, as Disclosure Counsel to the District, will provide a letter to the original purchaser of the Bonds regarding the Official Statement. Such letter will be to the effect that during the course of Disclosure Counsel’s work with regard to the Bonds, no facts have come to their attention that cause them to believe that the Official Statement (except for any financial and statistical data and forecasts, numbers, estimates, assumptions and expressions of opinion, and information concerning the Depository Trust Company and the book-entry system) contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

TERMS OF SALE

RIGHT TO CANCEL, POSTPONE OR RESCHEDULE SALE: The District reserves the right to cancel, postpone or reschedule the sale of the Bonds upon notice published on the website of the Municipal Advisor and through *PARITY*, not less than 24 hours before the time for receipt of bids. If the sale is postponed, bids will be received at the above place at such date and hour as set forth in the notice. Failure of any bidder to receive such notice or any other form of notice of canceled, postponed or rescheduled sale will not affect the legality or validity of any sale.

ELECTRONIC BIDS: The District will accept bids in electronic form through the *PARITY* electronic bid submission system. Each bidder submitting an electronic bid agrees by doing so that it is solely responsible for all arrangements with *PARITY* and that *PARITY* is not acting as an agent of the District. Instructions and forms for submitting electronic bids must be obtained from *PARITY*, and the District assumes no responsibility for ensuring or verifying bidder compliance with *PARITY*'s procedures. The District will be entitled to assume that any bid received via *PARITY* has been made by a duly authorized agent of the bidder. In order to be considered, a bid must be received no later than the date and time set for receipt of bids,

Neither the District, the County, the Municipal Advisor nor Bond Counsel has any responsibility for proper functioning of the *PARITY* system, for any error contained in any bid submitted electronically, or for failure of any bid to be transmitted, received or opened at the official time for receipt of bids. The District assumes no responsibility for informing any bidder prior to the deadline for receiving bids that its bid is incomplete, or not received.

FORM OF BID; MINIMUM / MAXIMUM PURCHASE PRICE: Each proposal must be for not less than all of the Bonds hereby offered for sale. The purchase price for the Bonds shall be not less than 101.5% of the par amount thereof and be not more than 107.0% of the par amount thereof. Bidders should be aware that the required purchase price is net of purchaser's compensation. No bid will be entertained which results in net original issue premium of more than 34 months' interest on the Bonds in accordance with applicable federal tax law requirements.

DESIGNATION OF INTEREST RATES: Each bidder must specify the rate or rates of interest which the Bonds will bear. The maximum rate bid on any Bonds may not exceed 8% per annum. A bidder will be permitted to bid different rates of interest for each maturity of Bonds, but:

- each interest rate specified must be in a multiple of 1/20% or 1/8%;
- no Bond may bear more than one rate of interest; and
- interest on each Bond will be computed from the date of original delivery to its stated maturity at the interest rate specified in the proposal, payable on the Interest Payment Dates as set forth above.

STATEMENT OF TRUE INTEREST RATE: Each bidder is requested, but not required, to state in its proposal the percentage true interest rate represented by its proposal,

determined as described above, which will be considered as informative only and not binding on either the bidder or the District.

DETERMINATION OF BEST BID: The Bonds will be awarded to the responsible bidder whose bid produces the lowest true interest rate on the Bonds. The true interest rate specified in any bid will be that rate which, when used in computing the present worth of all payments of principal and interest to be paid on all Bonds from the date of original delivery (which is assumed to be June 9, 2022) to their respective maturity dates or mandatory sinking fund redemption dates, produces an amount equal to the purchase price specified in such bid. For purposes of computing the true interest rate represented by any proposal, the purchase price specified in such proposal shall be equal to the par amount of the Bonds plus any premium specified in such proposal, and the true interest rate shall be calculated by the use of a semiannual interval of compounding interest based on the Interest Payment Dates for the Bonds.

ADJUSTMENT OF PRINCIPAL MATURITIES: The District reserves the right to increase or decrease the principal amount of any maturity of the Bonds (or, in the case of the term Bonds, the principal amount thereof which is subject to mandatory sinking fund redemption on August 1 in any year). The aggregate principal amount of the Bonds will be equal to \$68,000,000 under any circumstances. The District will give notice of any such adjustment to the successful bidder as soon as practicable following the notification of award. No such adjustment will alter the basis upon which the best bid is determined.

RIGHT OF REJECTION: The District reserves the right, in its discretion, to reject any and all bids and to the extent not prohibited by law to waive any irregularity or informality in any bid.

PROMPT AWARD: A representative of the District has been authorized to accept the best responsible bid for the purchase of the Bonds and to accept such bid, for and in the name of the District, by notice to the successful bidder. If two or more bids setting forth identical interest rates and premium, if any, are received, such officer may exercise discretion and judgment in making the award and may award the Bonds on a pro rata basis in such denominations as he or she determines. Such authorized representative of the District may also reject any and all bids and waive any irregularity or informality in any bid. Sale of the Bonds will be awarded or all bids will be rejected not later than 24 hours after the expiration of the time prescribed for the receipt of proposals unless such time of award is waived by the successful bidder; provided, that the award may be made after the expiration of the specified time if the bidder does not notify the District in writing of the withdrawal of its proposal.

PLACE OF DELIVERY; CANCELLATION FOR LATE DELIVERY: It is expected that the Bonds will be delivered to DTC for the account of the successful bidder on June 9, 2022. The successful bidder has the right, at the successful bidder's option, to cancel the contract of purchase if the Bonds are not tendered for delivery within 60 days from the date of the sale thereof.

PAYMENT OF PURCHASE PRICE: The successful bidder will be required to pay the purchase price of the Bonds in funds which are immediately available to the Santa Clara County Treasurer-Tax Collector. Such payment shall be made on the date of original delivery of the Bonds by the District to DTC.

NO GOOD FAITH DEPOSIT: A good faith deposit is not required in connection with the sale of the Bonds.

NO LITIGATION: There is no litigation pending concerning the validity of the Bonds, the corporate existence of the District, or the entitlement of the District officers to their respective offices, and the purchaser will be furnished a no-litigation certificate certifying to the foregoing as of and at the time of delivery of the Bonds.

ESTABLISHMENT OF ISSUE PRICE FOR THE BONDS: Upon notification that it has submitted the winning bid, the purchaser shall provide the initial offering prices at which it has offered or reasonably expects to offer all of the Bonds of each maturity to the general public (excluding bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) in a bona fide public offering.

Prior to delivery of the Bonds, the purchaser shall be required to provide to the District a reoffering price certification in form and substance similar to either the certificate attached hereto as Appendix A or Appendix B . In addition, based on reasonable requests of Bond Counsel, the purchaser will provide information regarding its sales of the Bonds. For purposes of this paragraph, sales of the Bonds to other securities brokers or dealers will not be considered sales to the general public.

In the event the District receives at least three bona fide bids for the sale of the Bonds (the "competitive sale requirement"), then the issue price for the Bonds will be established based on the reasonably expected initial offering prices of the Bonds as of the sale date. If the competitive sale requirement is not satisfied, the District shall so advise the purchaser. In such event, the purchaser shall be required to apply the "hold-the-offering-price rule," as described below, in which case the initial offering price to the public as of the sale date of any maturity of the Bonds will be treated as the issue price of that maturity, applied on a maturity-by-maturity basis. If the competitive sale requirement is not satisfied, the purchaser shall notify the District, within one hour of the time of award of the Bonds, those maturities of the Bonds at least 10% of which have been sold to the public as of the sale date, and which maturities are subject to the hold-the-offering-price rule. Bids will not be subject to cancellation if the competitive sale requirement is not satisfied.

By submitting a bid, the purchaser shall (i) confirm that the underwriters have offered or will offer the Bonds to the public on or before the date of award at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in the bid submitted by the purchaser, (ii) certify it is a bidder with an industry reputation for underwriting new issuances of municipal obligations, and (iii) the purchaser agrees, on behalf of the underwriters participating in the purchase of the Bonds, that the underwriters will neither offer nor sell unsold Bonds of any maturity to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the 5th business day after the sale date; or
- (2) the time when the underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The purchaser shall promptly advise the District when the underwriters have sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the 5th business day after the sale date.

The District acknowledges that in making the representation set forth above, the purchaser will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) if a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) if an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The District further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

By submitting a bid, each bidder confirms that:

- (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the purchaser that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the purchaser and as set forth in the related pricing wires, and
- (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the purchaser or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the purchaser or such underwriter and as set forth in the related pricing wires.

Sales of any Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Official Notice of Sale. Further, for purposes of this Official Notice of Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public),
- (iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means May 25, 2022, being the date that the Bonds are awarded by the District to the purchaser.

FURTHER INFORMATION: A copy of the Preliminary Official Statement describing the Bonds, and other information concerning the proposed financing, will be furnished upon request to the Municipal Advisor as follows: Dale Scott & Co., tel: (415) 956-1030. Such information is also available on the website of the Municipal Advisor at <http://www.dalescott.com/financings/>.
